### *Serving You Since 1909*

Goldstine Knapke combines the strength of Fort Wayne's two oldest commercial/industrial real estate firms.

Goldstine, Inc., founded in 1909, earned its prestigious reputation for its brokerage services. N.B. Knapke Company, founded in 1948, became a leader in commercial development with the evolution of Fort Wayne's first shopping center. Together, Goldstine Knapke offers the most in-depth knowledge and complete services available.

Goldstine Knapke has the breadth of services and depth of experience to meet all of your real estate needs for the industrial, commercial, retail and office markets, from leasing, sales and development to property management and site acquisitions, from a small office to a multi-acre industrial plant.
