

**Blank Paper Rolls on the Web ([www.telemarkforms.com](http://www.telemarkforms.com))**

Fast delivery, enormous variety, and guaranteed satisfaction are all yours when you draw on the power of Telemark's new on-line ordering system. Now you can get the same high-quality printing receipt rolls through the ease of the Internet at Telemark's new website. It's never been easier to choose the quality standard for super-clean, brilliant white high-surface bond stock, precision cut and always accurately squared, that means perfect fit, minimal maintenance and longer life, every time. Choose from brilliant white, thermals, even multi-ply carbonless rolls, for virtually any type of machine, from ATMs and P.O.S. devices to calculators, cash registers, medical printers and CAD machines. And we offer coreless, Kiosk, and parking ticket rolls, all available online for easy ordering. Of course, the reasons for buying Telemark rolls on the Web are

the same reasons they've always been: superior printing capabilities, guaranteed registration, quick turnaround and competitive pricing. Our Ready-To-Rolls are always in stock, and the same experienced service department is still there to help with every order. So when you need the highest-quality blank paper rolls, and you need them fast, just visit Telemark's website. You'll be placing an order faster than you can say, "Here's your receipt."

And if you need custom printing capabilities, we've been doing specialty printing since 1970. Telemark produces everything from the simplest scratch pad to the most demanding laser applications, on both printed rolls and cut sheets.
